Expressions of interest are invited from students enrolling in the Year 9 STEM Excellence Program (Science, Technology, Engineering, Maths) for 2017.

Features of the program include:

- Entry on proven academic achievement and commitment to school life:
  - preferred grades of B or better for Science, Maths and ITD
  - prior participation in Robotics Club or Robotics - Strategic Learning is an advantage
- Highest standards of behaviour and effort expected across the curriculum
- Challenging and rigorous academic work
- Participation in National Competitions
- The program runs for a full year (counting as 2 elective choices)

<table>
<thead>
<tr>
<th>Current Year Level</th>
<th>Member of Robotics Club?</th>
<th>Y / N</th>
<th>In Robotics Strategic Learning?</th>
<th>Y / N</th>
</tr>
</thead>
<tbody>
<tr>
<td>Science grade</td>
<td>Maths grade</td>
<td></td>
<td>ITD grade</td>
<td></td>
</tr>
</tbody>
</table>

Please note: You are not required to attach statements of support from class teachers.

I verify that the information on and with this application is true and correct.
